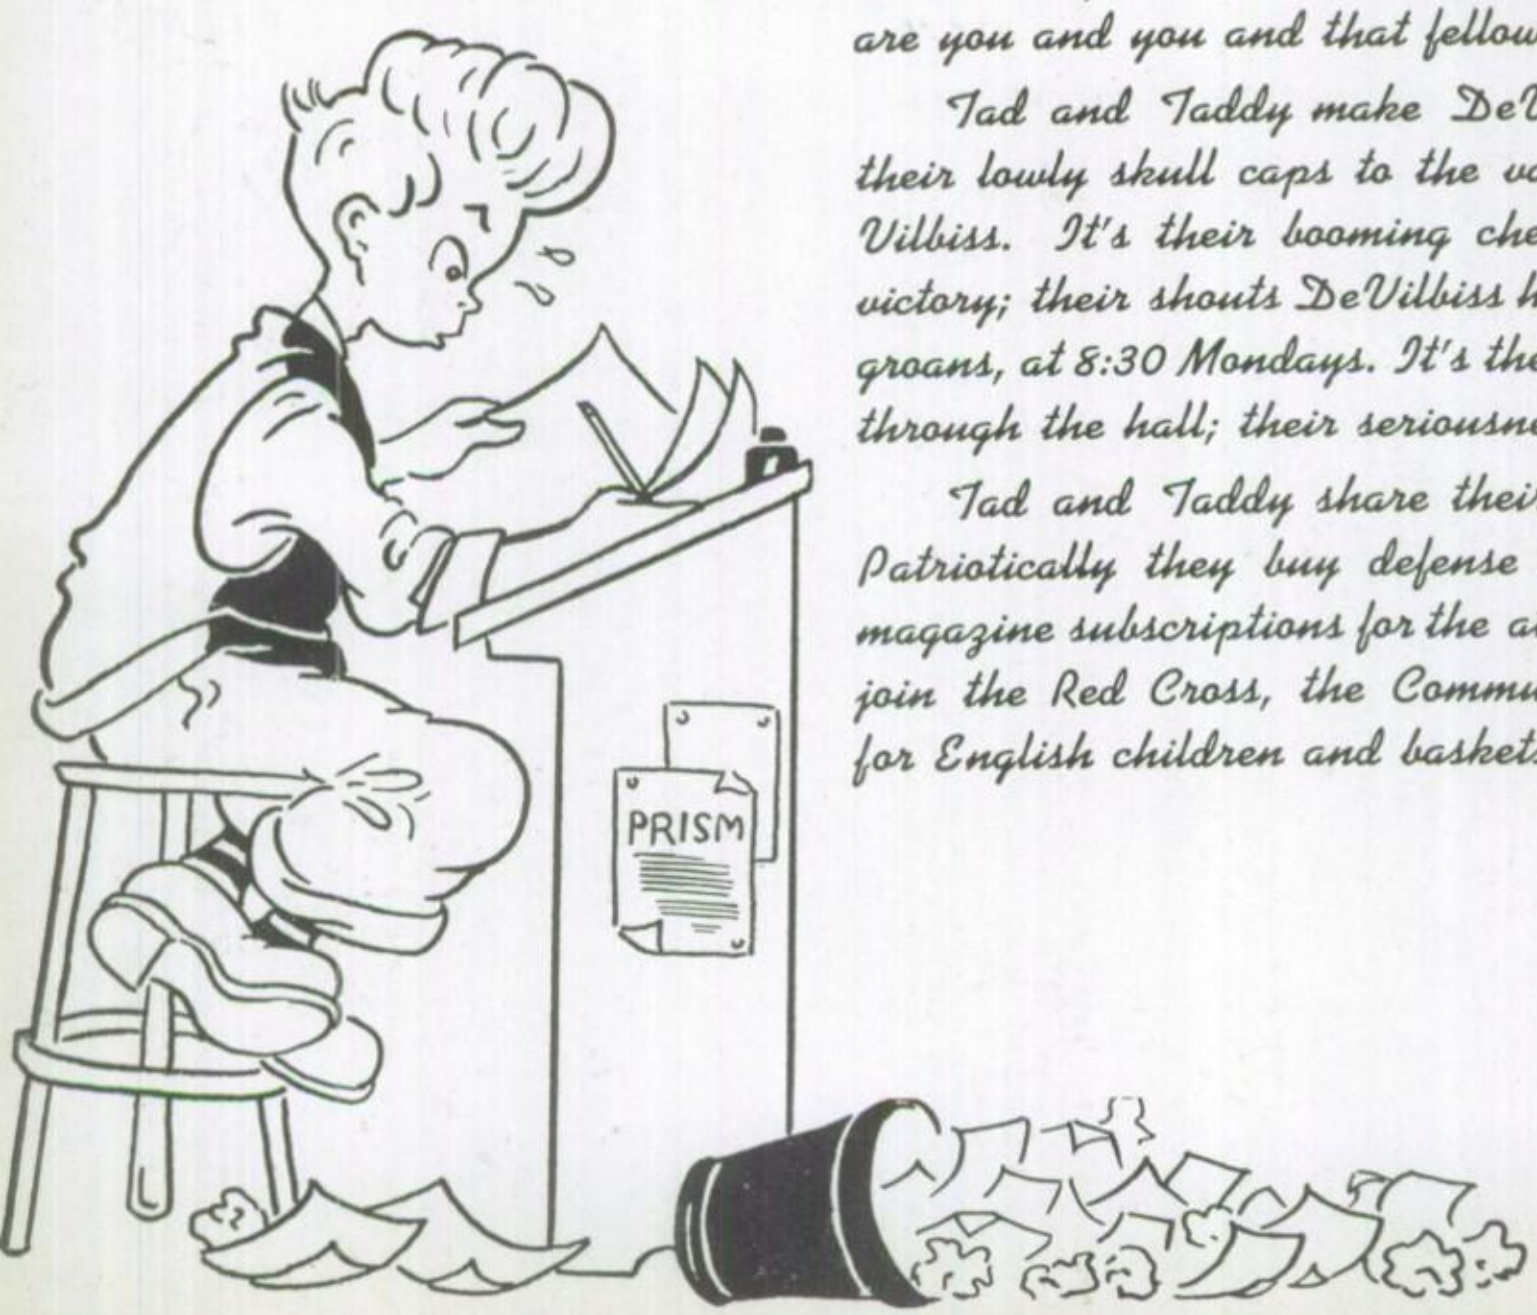
"There," said the plasterer ten years ago as he finished the last wall, "that school is built to last forever." In shining newness DeVilbiss waited for occupants. Teachers came. They admired the building from the tall towers to the tips of the wings and said, "up-to-date, fine design." Students came. Blustered in big students; wiggled in little students; flew in on-the-beam students, and poured in students. With awe they exclaimed, "Gee Whiz! Gosh!"

Came, too, that day a pair of twins. "Nobody noticed them but before long their presence was felt everywhere. They said, "We'll show Libbey." Alas, they did 0-51. Year after year they came back fighting with a "Yea Tigers" until DeVilbiss has taken its place as a great high school. Who are these scrappy twin demon-saints? They are Tad and Taddy, Mr. and Miss Thomas A. DeVilbiss. They are you and you and that fellow over there.

Tad and Taddy make DeVilbiss live. In fact, from their lowly skull caps to the varsity "D's" they are DeVilbiss. It's their booming cheers that spur the team to victory; their shouts DeVilbiss hears at 2:30 Fridays; their groans, at 8:30 Mondays. It's their corn and patter that echo through the hall; their seriousness that fills the classroom.

Tad and Taddy share their good fortune with others. Patriotically they buy defense stamps; loyally they sell magazine subscriptions for the athletic fund; charitably they join the Red Cross, the Community Chest, and fill boxes for English children and baskets for their own needy.

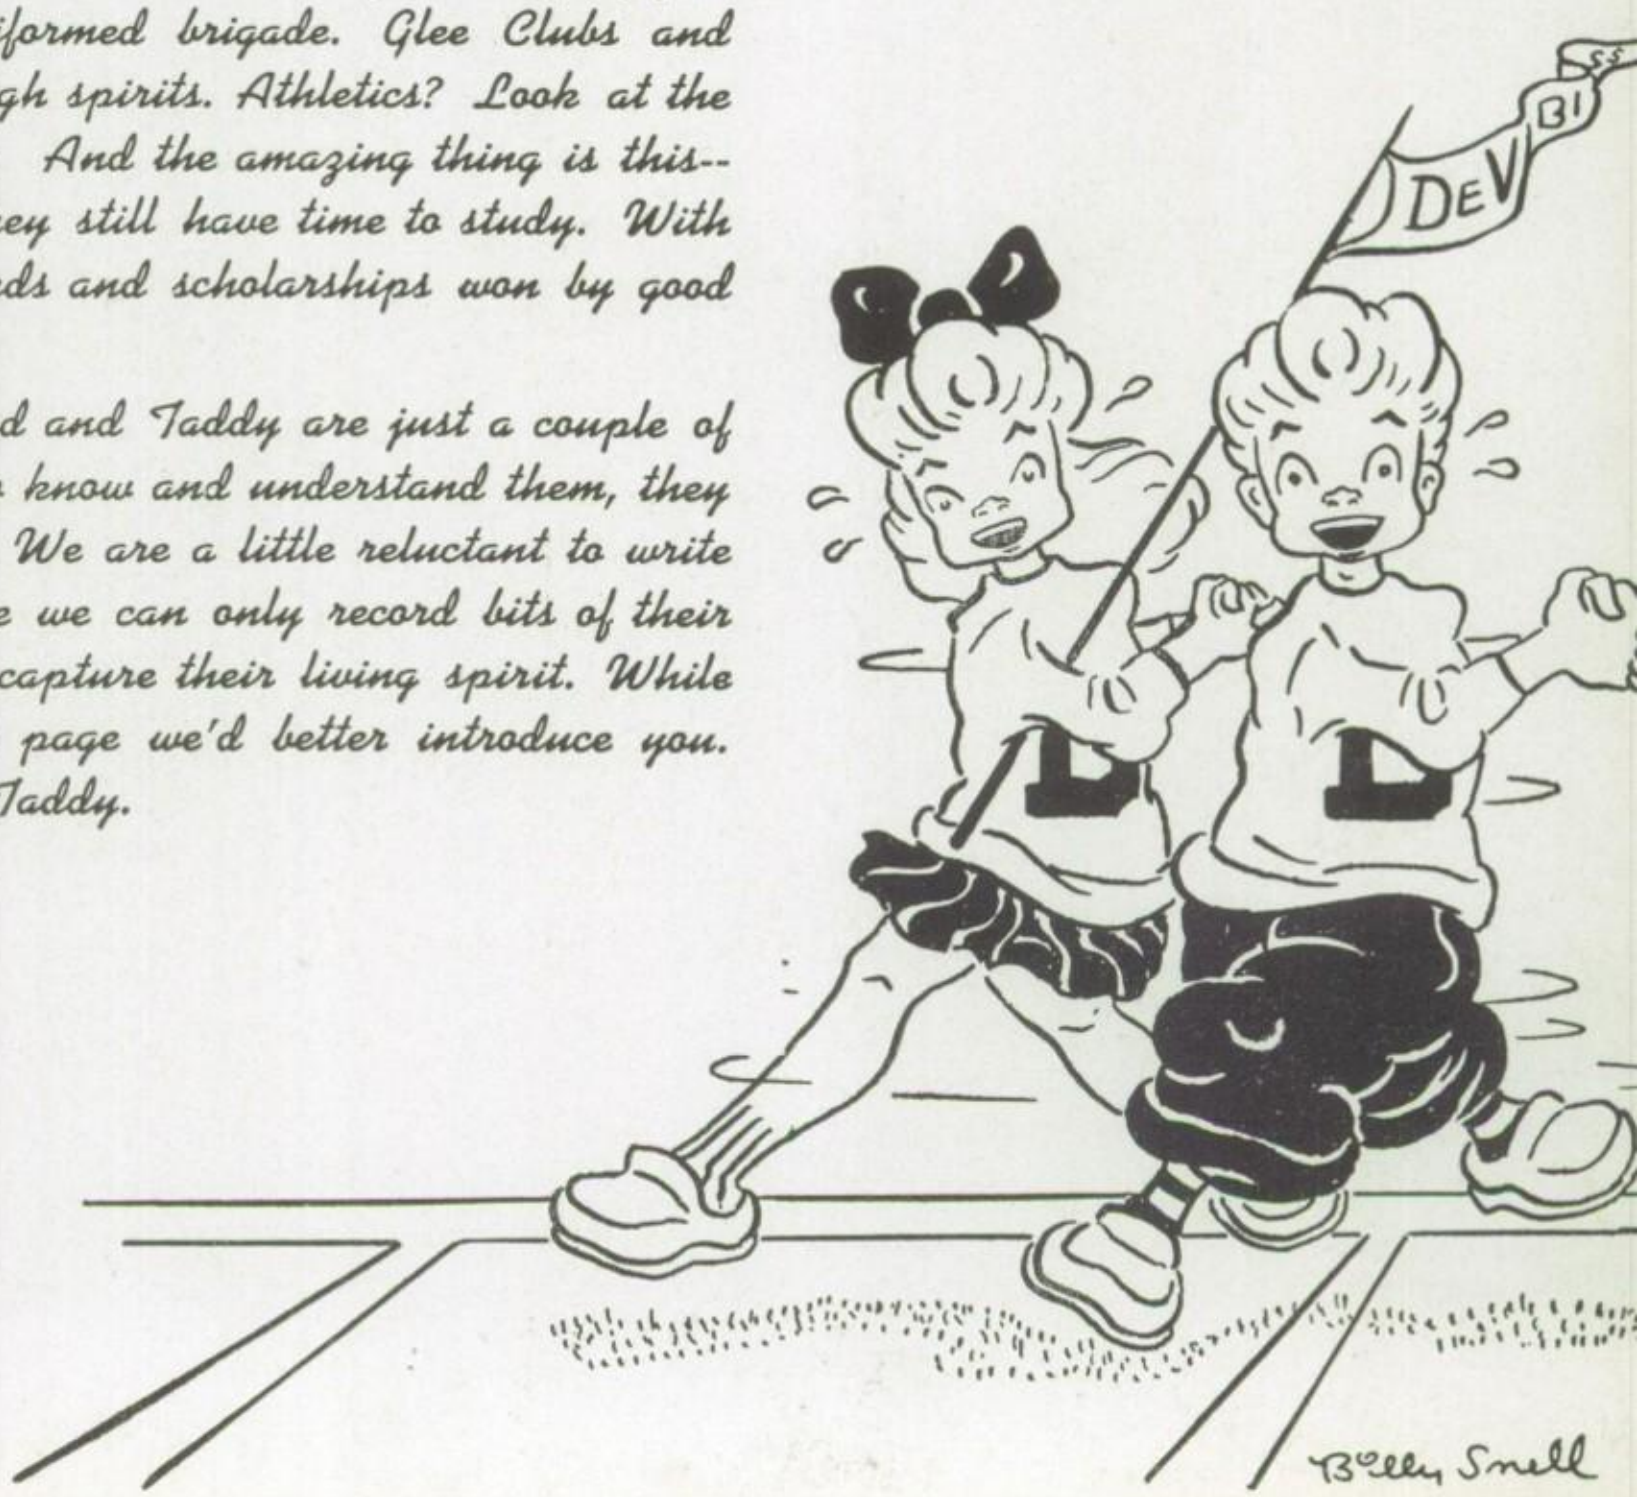


it here!

Tad and Taddy chuckle from tower to basement with
n. Echoing from Friday night dances is the schmaltz and
e that is warming to their hearts. They smile as foot-
hts beam, the curtain lifts, the audience roars, and De-
ilbiss drama carves another milestone. They gobble sand-
iches, paper and all, as the hero rides again in the lunch
ur blackout. So it goes. Who with a fun-loving heart could
il to envy Tad and Taddy.

Their accomplishments are many. With enthusiasm for
hool clubs they spend hours on waning afternoons follow-
g a hobby, absorbing information, or just having fun.
ledo enjoys hearing their band and seeing the snappy for-
ations of the well-uniformed brigade. Glee Clubs and
horuses reecho their high spirits. Athletics? Look at the
erflowing trophy case. And the amazing thing is this--
th all this activity they still have time to study. With
ide they point to awards and scholarships won by good
inds and honest effort.

Maybe, to others Tad and Taddy are just a couple of
udents, but to us who know and understand them, they
e our closest friends. We are a little reluctant to write
eir biography, because we can only record bits of their
tivity -- we can never capture their living spirit. While
've got them on this page we'd better introduce you.
r. Reader -- Tad and Taddy.



We present the

To you, Mr. Nauts, the man who has kept in harmony23,000 Tads and Taddys, their parents, and teachers we give our respects. You have successfully placed our school in the foremost ranks by your tireless efforts. You have made DeVilbiss a well-rounded school, a school which prepares a student for wider fields when he leaves.

We want to wish you happiness in the new home that you have been so busily engaged in building. May it be a haven for you and your family for years to come.

Tad Makes the Law

STUDENT COUNCIL

The Student Council of DeVilbiss High School offers a fine opportunity for student self-government. By the new constitution, patterned after that of our national government, Tad and Taddy have built the foundation for a real democracy at DeVilbiss. Greatest undertaking of the year for this organization was the sponsoring of the magazine subscription campaign. Proceeds of this drive, amounting to over one thousand dollars, were added to the Student Council funds. Part of this money was then used for band instruments. Chuck Petree, president of the Student Council, was chief Tadite this year, and was assisted in his executive work by the Board of Commissioners.

STUDENT COURT

The sun was shining brightly outdoors; the buds were just coming out on the trees and bushes. Tad controlled his desires as long as possible, but just before fifth hour, he left school for the wide open spaces. The next morning during second hour he was summoned to the library. Here he stood face to face with justice in the form of student court. The Prosecuting Attorney presented the charges; Tad stated his defense; and the court made its decision. Tad would spend two hours after school on successive evenings helping the librarians.

Thus does the student court, by use of its student-given authority, help the deans to maintain discipline. Commissioner of Justice and Chief Justice first semester was Tim Hewlett, who was assisted by seven of his classmates. During the Student Council reorganization of the second semester, Joan Ort, Dick Talbut, and Wesley Gray took their seats as justices for the rest of the year.

DEVILBISS

The Service Corps of DeVilbiss High School was organized in the autumn of 1940 so that those students wishing to serve the school could unite their efforts for better results. Joint heads of the group this year are Commissioner of Service, Bill Ford, and Commissioner of Justice, Tim Hewlett.

Hall Patrol.

Various small platoons, each with certain duties, make up the complete membership of the Corps, numbering three hundred. Among these smaller groups are the Monitors, those very efficient people who rise from the ranks during assemblies to escort recalcitrants from the auditorium. Also helping to maintain order at school affairs are the guards. Appearing at football and basketball games and night relays, they check the tickets of those in attendance and keep rowdyism at a minimum.

Monitors.

Office Service.

The student hall patrols stationed at each corner of the building are also members of the Service Corps. It is the duty of these patrols to check the permits of

Serve DeVilbiss

SERVICE CORPS

students passing through the halls. Ushers at football and basketball games, guides who show visitors around the school, and tellers who work at taking tickets during noon and feature movies are also members of the group.

Guards.

Library Service.

The purpose of the Corps is not entirely student discipline, however, as one group of its members assist the deans in checking attendance, delivering summons, and various other odd jobs. These workers also assist the librarians in checking books, clean up the auditorium after noon movies, and do anything else wherein they may be of service to the school.

Faculty organizer of the Service Corps was Mr. Raymond Lowry, who felt the need of a club by which students could serve their school more effectively, and acted upon that need. We feel that Mr. Lowry should be given the credit due him for starting us, through practice in high school, on the road toward active participation in our duties as citizens.

Every two weeks bedlam reigns in Room 216, where the staff blitzes around trying to meet its deadline. Copy flies and the typewriter bangs to give DeVilbiss the news.

When Prism Monday rolls around, Room 250 buzzes. Prism representatives go out to sell their papers. The Business Staff, besides handling the publicity, checks in money and carefully watches the sales.

Many subscribers can't wait to read their favorite articles, such as TAD-BITS, PRISMATIC REFLECTIONS, and TIGER TALES; so the teachers' cry on Prism Day is—"Put your Prisms away."

The staff presented the Scholastic Roto, a new section this year, picturing school activities all over the United States.

The editorial and business staffs cooperate to make each four-page issue a true reflection of Tad.

Taddy Promotes Book Week

LIBRARY ASSOCIATION

"All work and no play" was not the motto of the Library Association this year, but the girls had their fun while doing a good share of work. The purpose of the association is to further the love of books and promote general interest in the school library.

The program committee decided on plays as the theme of the year, and the study of drama was only put aside to take charge of Book Week and the Christmas Program. During Book Week all the classes in the school gave money to buy books for the school library. The Christmas program was organized by the club and given in the library the week before the holiday season.

The social activities started with a roast at Pearson Park. An induction at mid-season brought the girls together at a member's home. A doughnut sale and a penny supper helped to increase the funds in the treasury. To climax an eventful year the members gave a Mothers' Tea in the library.

With the help of Ruby Kuhlman, president; Phyllis Lanz, vice-president; and Caryl Christensen, secretary-treasurer, and under the guidance of the two advisers, Miss Leah Scheuren and Mrs. Fannie Gunn, a successful year was achieved.

PERICLEAN LITERARY SOCIETY

Seated—Phyllis Lanz, Janeann Lindsay, Wanda Robertson. **Standing**—Magdalen Netter, Lois Martin, Alice Damm.

Anyone who happens to pass the Esquire Theater on a Saturday morning during the past year might have seen a couple of Peris entering the door. These two took notes on the lecture of a noted speaker and reported back to the group at their semi-monthly meeting.

The two inductions are always highlights in the social program. In the spring the club held their annual City-wide Peri Tea at the Art Museum with Mr. Barksdale presenting a musical program.

The society was under the capable leadership of Phyllis Lanz, with the help of Margaret Higgins, vice-president, and Alice Badenhope, junior assistant. Wanda Robertson and Magdalen Netter took care of the secretarial work, and Janeann Lindsay kept a record of the money. Miss Marian Smith, Mrs. Edith Schwenke, and Mrs. Carrie Whaley were the trio who counseled the activities.

Taddy Appreciates Art

PHILALETHEAN LITERARY SOCIETY

The Art Museum was the main meeting place this year for these girls. On alternate Mondays the Phils could be seen listening to the interesting lectures on comtemporary art exhibits.

Many new books were reviewed to promote the appreciation of fine literature. Besides serious programs the girls have outside interests. One of these was a play, "Life with Father", after which the club dined together.

Among the annual events were the two candlelight inductions and the Christmas Tea. The Senior Tea, honoring the graduating members, put a final touch to the social affairs.

The capable officers were Virginia Hannaford, president; Joan Hickenlooper, vice-president; Ruth Sturdevant, recording secretary; Jeanne Nash, corresponding secretary; Mary Catherine Kirk, treasurer; and Alice Ohlinger, chaplain. The faithful and helpful advisers were Miss Ruth Smith and Miss Willoughby.

ZETALETHEAN LITERARY SOCIETY

This year the girls decided to further their interest in drama. They have found the true enjoyment of reading plays and have learned many things about their presentation.

On the social side came the two annual inductions, at which new members were taken in. The progressive dinner was remembered afterwards with much pleasure. Topping off its busy winter, the club turned out for a good time at the regular spring roast. Rain or shine, a loyal Zet would not dream of missing this affair.

Heading the cast were Joanne Budd, president; Helen Fulton, vice-president; Margaret Howland, secretary; Martha Vietmeier, treasurer—this excellent leadership makes it possible for the club to look back with satisfaction on another year. The direction was well handled by the advisers, Mrs. Sutter, Mrs. King and Mrs. Brand, without whom all this would have been impossible.

LE CERCLE FRANCAIS

Row one—Marilyn Emery, Alice Ohlinger. **Row two**—Mary Holton, Joan Hickenlooper.

"Parlez-vous francais?" is not a phrase you might hear at this club meeting. All members are French students who wish to learn more of French customs and culture.

To start off the year the members heard about the French situation today. The girls practice their conversation and have fun too by playing games and conducting meetings in French. In the spring the club had a scavenger hunt. After a merry day of hunting impossible things, everyone gathered once more for a pot-luck The crowning event was the annual French dinner which took place in May in the DeVilbiss court. With French menus and food the atmosphere was complete.

The officers were Marilyn Emery, president; Mary Holton, Ilene Levey, vice-presidents; Alice Ohlinger, secretary; Joan Hickenlooper, treasurer. The adviser who kept things running smoothly was Miss Marian Smith.

Tad's a Good Neighbor

LA JUNTA ESPANOLA

To increase the interest of DeVilbiss students in the countries of South America, the Spanish Club has well-planned activities. The Pan-American Day program promotes good-will and helps students to gain a better understanding of their neighbors. The club sent one subscription of the Spanish edition of "Readers' Digest" to each Spanish-American country. Students sang Spanish carols at the Christmas program in the library. Many members are enjoying their correspondence with students in South America. The climax was the Spanish Fiesta, held this year for the sixth time. The school cafeteria became a patio full of colorful flowers and birds. Students representing each of the four years of Spanish gave short talks, while a program of Spanish music accompanied the dinner. The year closed with the annual spring roast.

Bob Schambacher presided at the monthly meetings until he moved to Indiana, and then Dick Talbut took over his duties. The vice-president was Donna Chantoff. Pat Haley was corresponding secretary, and Suzanne Barth was recording secretary. The list of officers is completed by Bob Browning, treasurer; Marjorie Spengler, chaplain; and Betty Jane Fontaine, historian. The club was aided in its efforts by Mrs. Backus, Miss Kerlin, Miss Marian Smith, and Mr. Brown.

CURIA

The Latin club presented a series of informative programs during its third year. The members visited the Toledo Museum of Art's collection of Roman glass; heard a lawyer, Dr. Josef L. Kunz, of the University of Toledo speak on Roman law and how it influences us; listened to records about the Latin language and of "Julius Caesar"; and saw slides of the famous Roman aqueducts, presented by Miss Jane Lewis of Scott High School. At the induction the club sang songs in Latin. Some of the new members were baffled by the ritual. Several students gave talks on the Roman government and family life at the Tuesday afternoon meetings.

The students always look forward to the annual Roman Banquet, held in the spring. Freshman Latin students were invited to eat a typical Roman dinner in the school cafeteria.

The Curia is divided into sections—the old and the new members. They are named after actual Roman tribes, the Albani and the Sabini. The leader of the club is Gerald Hall, known to members as the Pontifex Maximus. The other officers are Mary Kerr, vice-president; Jean Spalding, secretary; Bruce Demers, treasurer; and Phyllis Thompson, program chairman. The Curia owes much of its success to Mr. David O. Voss, its adviser.

BAND

The exclamations of the spectators when the band first appeared in new gray-blue and navy military uniforms will always be remembered. The eight high-stepping drum majorettes completed the picture. In addition to this splendor there were new instruments and a grand style of marching which made the DeVilbiss Band one of the finest in the city. The great improvement of our band can be attributed to Mr. Guy Sutphen, the adviser, and Mr. James Sutphen, the drill master. The drum major, Paul Rapp, also cooperated to make this project a success.

Besides playing at DeVilbiss football games, the band gave a concert with the Orchestra and Glee Club, took part in the May Festival, and provided music for the basketball games. The officers for the year were Paul Rapp, president; Allen Chapin, vice-president; and Jean Copelin, secretary.

The members of the Orchestra have applied their talents with enthusiasm this year. The group took part in the School of Music program, which was broadcast over station WTOL. The fiddlestrings of the orchestra tied up the success of the annual concert given by the Orchestra, the Band, and the Glee Club on February eighteenth. Because of the favorable response last year to the grade school concerts, the series was repeated this year. The final program was the May Festival, given with the musical organizations of all the city high schools. The Orchestra joined the Glee Club in sponsoring a roller-skating party, which was the important social activity of the year.

The officers whom the club elected were Roberta Coontz, president; Betty Jean Gracemyer, secretary; James Britsch, treasurer; and Bob Bohl, business manager. Mrs. Mathilda Burns directs the group.

Twenty Singing Scouts

GIRL SCOUT TROOP 86

These Senior Scouts sing instead of earning badges. The Parent-Teachers' Association, the Sunset Home, and the DeVilbiss Freshman Class have enjoyed their music. Far from confining their activities to singing, however, the girls are helping the Red Cross and are preparing to participate in Civilian Defense as Senior Service Scouts. Many of them took a first aid course during the year, and this further fitted them to help their country. In February the troop sold Girl Scout Cookies to help enrich their treasury.

They have their share of good times, too. There was a pot-luck at Peggy Stalker's home, followed by a bowling party at the Colony. The theater party was lots of fun and everyone liked the Mothers' Tea. Then in the spring the girls packed up and explored Camp Libbey near Defiance, Ohio, for a week-end. The scouts were divided into groups to plan and cook the meals and clean up.

All this was planned by president Jeanne Nuoffer; vice-president, Marcene Pederson; secretary, Barbara Brown; treasurer, Muriel Nordsiek; chaplain, Virginia Townsend; and social chairman, Peggy Stalker. Toledo Hears Tad's Voice

RAINBOW CHORUS

In the second year of its activities this chorus is enjoying just as much popularity as it attained with its first appearance. The chorus is made up of sixteen boys, twice as many as originally, whose talent and enthusiasm make them popular with various Toledo organizations. This year the chorus repeated its performance for the Women's Educational Club at Lasalle and Koch's, sang for the West Toledo Exchange Club, the Jewish Temple, and several Masonic Temples. Among their repertoire they have such favorites as "Stout-Hearted Men" and "America."

All their efforts were not directed outside of the school, however. They sang for the freshman Everyday Living Classes and later helped to teach the DeVilbiss songs to those freshmen. They also sang for the banquet the previous year to commemorate the tenth anniversary of the school. They presented a musical melodrama, "Othello," in the Deviltries, our extravaganza.

Much of the credit for the fine record these boys have made goes to Mr. Diller, who has spent a great deal of his time and energy helping the boys in their training and in the presentation of their programs.

Thus, at the completion of its second year another organization, with continued success assured, has been added to DeVilbiss.

Tad and Taddy Sing Songs

GLEE CLUB

Can't you just hear those gleeful voices pouring forth harmonious notes? If you can't, you don't know the DeVilbiss Glee Club. This year the club has worked hard to learn many of the best choral selections.

In the late fall the annual concert was given with the band and orchestra. Anyone who attended the program can tell you that it was a great success. The club also gave a program of Christmas carols in the library. The next event, which took place after many hours of diligent practice, was a radio program, given on February 2. An oratorio was given in the spring, and the year ended with the annual May Festival, presented by the bands, orchestra, and glee clubs of the high schools in the city.

To add some frolicking touches the Glee Club sponsored a roller-skating party with the orchestra. Also, a dance was given after one of the basketball games.

Under the leadership of Mr. Ball and the officers, Norma VanWormer, president; Bob Williams, vice-president; Blanche Holley, secretary; and John Steele, treasurer, the club had a successful year. Important managers included Bette Galliers, publicity manager; Bill Bergman, stage manager; Juanita Cole and Paul Hem, property managers; Alice Whitehead, librarian.

SOPHOMORE HI-Y

The Central Y. M. C. A. is the meeting place of this group of boys. They meet other Hi-Y club members and listen to prominent Toledo speakers.

They also have their own meetings sometimes and plan social events for themselves. They began in the fall with a roast at Side-Cut Park. In December they gave a hayride and had a theater party afterwards. A Christmas party with their parents found the Rev. R. Lincoln Long speaking on "Youth's Part in This World." Refreshments and a social hour came afterwards. The club was responsible for securing E. L. Bowsher, Superintendent of Toledo Public Schools, to speak to the Hi-Y clubs. An interesting discussion period followed this meeting. Milo Warner, past Commander of the American Legion talked on world conditions. Motion pictures of the war were shown at another meeting.

The boys helped the Community Chest Drive by taking pledge cards and buttons to the factories. The spring social event was a splash party, and the year closed with the banquet at the Y.

Paul Akers heads the list of executives; Clayton Henry takes the president's place when he is absent; Jim Tippett records the minutes; Albert Huffer collects the dues.

JUNIOR HI-Y

Left to right—Gettum, Goins, Donnelly, Girkins.

As a junior, Tad became forum-minded. The Hi-Y started the season with informal forums on various subjects, led by speakers, such as Rabbi Doppett of Fort Wayne, Sergeant Margaret Slater, and officers in the United States armed forces. Then in February the group moved into larger fields with the promotion of the city-wide Hi-Y-Friendship forums at the Y. M. C. A. In April they brought the forum home again with the DeVilbiss Vocational Guidance Clinic.

Since Jack Junior is not a dull boy, he didn't stop with just doing his work, but enjoyed pot-lucks, roasts, splash parties, and movies scattered throughout the year. Guiding lights for the activities were Gordon Gettum, president; Dick Goins, vice-president; Al Donnelly, secretary; and Bob Girkins, treasurer; with Mr. Robert Lampton and Mr. Howard Hayes focusing the beam.

Tad Sponsors a Clinic

SENIOR HI-Y

This year as in the past, the Senior Hi-Y has successfully presented to its members a fine, varied program. It offered to the boys of DeVilbiss an excellent vocational guidance clinic.

The fellows have had the pleasure of hearing such speakers as an ensign in the Navy, the Dean of Administration of the University of Toledo, a policewoman, a Rabbi, and the Director of Civilian Defense for Toledo.

The club has also supported "Y" activities, such as the forum talks and the conferences at Camp Storer and in Springfield, Ohio.

The boys also had time for social events, which included an outing at Ray Dix's cottage on Lake Erie, a spring dance, and a roast.

Bob Gray was president; Albert Graumlich was vice-president; Dick Biringer and Larry Moser were the secretaries, and Ray Dix was treasurer.

Taddy Makes New Friends

FRESHMAN FRIENDSHIP

This was their first year, but the girls were none the less sincere in their efforts "To find and give the best." They may not have so much to show in actual accomplishments, but they have learned much and will produce the results in their next three years. They conscientiously did their share in the Hi-Y-Friendship forum in which DeVilbiss took part. At this forum Mr. Parks, Personnel Director of the University of Toledo, spoke on that all-important subject, Vocational Guidance. Afterwards, the members of the Freshman Friendship Club had a chance to show their merit by cleaning up after refreshments were served.

The Christmas party afforded a jolly evening for the group. Later in the year the girls relaxed again at a skating party. At the end of the year the members discovered that giving a party for a group of young orphans at the Miami Children's Home was as much fun as having one just for themselves.

Handling their new job well this year were June Franklin, president; Janet Lanz, vice-president; Joan Ritter, secretary; Jane Power, treasurer; and Peggy Berman, chaplain. The girls all agree that Miss Lerche and Miss Schmidt were responsible for getting the group off to a good start.

Taddy Does Her Share

SOPHOMORE FRIENDSHIP

Since the purpose of the Sophomore Friendship Club is to promote friendship and goodwill, the members this year took as their project, knitting for the Red Cross. This work was well chosen, because the girls could chat and accomplish much for a worthwhile cause at the same time. The members also attended the Hi-Y-Friendship forums at the Y. M. C. A. and the leaders' conferences at the Y. W. C. A. to help accomplish the aims of their club.

In addition to these activities the girls had unusually interesting meetings. At one, some movies of India were shown; however, the most popular program was held during Book Week when Miss Scheuren, the school librarian, gave a book review of "My Sister and I", by Kirk Van der Heide.

For pleasure the girls gave a hay-ride which turned out to be a great success. It was held at Douglas Meadows Riding Academy, and the girls invited their favorite boy friends. Refreshments topped off this ride in the hay.

The worthy president this year was Marjorie Yark. She had excellent aid given her by Marilyn Hansen, vice-president; Jeanne Radloff, secretary-treasurer; and Betty Weber, chaplain. Miss Warner and Mrs. Mesnard expertly advised the girls in many of their activities.

JUNIOR FRIENDSHIP

The year of 1941-42 was eventful for these girls. As their welfare project, they "adopted" the orphans in the fourth grade at Miami Children's Home. At Christmas a party was given for them. Refreshments and games were plentiful, and presents were given to each orphan.

A trip through the new Toledo Public Library was one of the earliest events. Following this was the big social function—a bowling party with a pot-luck held afterwards. The last event was the annual Mothers' Tea.

The leaders of the club were Barbara Welday, president; Shirley Schmuhl, vice-president; Louise Markhus, secretary; Virginia Hinde, treasurer, and Shirley Clevenger, chaplain. The girls all agree that Miss Frances Severens, Miss Mary Fischer, and Miss Elizabeth Johnson are the best of advisers.

Taddy Looks to the Future

SENIOR FRIENDSHIP

How thrilling it was for the Senior Friendship Girls to find that their orphans had remembered them! This was the second year that the club gave a Christmas party for a class of little children in the Miami Children's Home.

Besides helping others, the club has had a series of lectures on vocations. Mrs. Luther told of her teaching experiences and Mr. Brown spoke about his European trip with the Westminster Choir. The inner workings of the Public Library were explained to the girls during their visit there.

A fall roast and a spread comprised the social life of the group.

This year the club was directed by Betty Laures, president; Shirley Strobel, vice-president; Betty Skinner, recording secretary; Mildred Gogel, corresponding secretary; and Janeann Lindsay, treasurer. Miss Lerche and Miss Schmidt were the advisers

Tad Keeps 'Em Flying

AERONAUTICS CLUB

The DeVilbiss Aeronautics Club zoomed under way for the '42 season with dive-bombing speed. Meeting every Friday after school, this club is promoting serious interest in aviation. The construction of model airplanes, which is of particular current interest, was studied in detail this year. Dick White, Jim Haffey, and Bob Martin have given many gasoline model demonstrations throughout the year. After this information was given, the members were able to build small models.

Through the efforts of some of the members, noted speakers from Franklin Field and the Civilian Air Reserve were obtained. The topics of these talks were "How To Get a Job in Aviation" and "Aviation Needs You." Trips to nearby airports were taken so that the members could learn more about their operation.

This organization, however, has not been entirely lacking in social functions. A hayride at Douglas Meadows and a roast were held in the fall, and a splash party was given at the Y. M. C. A. The year's activities were ended with a dance held at DeVilbiss sponsored by the club members.

Guiding the club along its flight were Bob Martin, chief pilot; Lynn Elder, co-pilot; Virginia Proeschel, Radio Operator; and Mr. Clyde Kiker, Navigator.

Taddy Bowls 'Em Over

GIRLS' BOWLING CLUB

The purpose of the Girls' Bowling Club is to have fun while improving bowling skill. It is easily seen that the members of the club have carried out that idea this year. Every Tuesday the girls met to bowl at the Marathon Bowling Alleys, and they became so enthusiastic over this sport that their attendance was nearly perfect. Members needing instruction were assisted by Mr. Edward Brubaker, who works at these bowling alleys and has several perfect games to his credit.

Each year two tournaments are played, one each semester. The girls bowl in four flights, grouped by averages, with prizes being awarded to the winner of each flight. This year the tournaments were closed by a spread in the president's home, at which time the prizes were presented to the highest scoring girls.

More girls have broken a hundred than ever before because of this regular practice, and many new friendships were made due to the mutual interest in bowling.

The headpins of the club were Jeanne Simon, president; Aileen Stevenson, vice-president; Georgie Pappas, secretary; and Pat Schmidt, treasurer. Mrs. Anderson helped keep the ball on the alley.

The Sorelles know how to enjoy themselves and every one of their Tuesday evening meetings is another good time. The social high light of the year was their annual dessert bridge, given in the French Room of Lasalle and Koch's.

Along with entertaining themselves the girls try to spread their fun to others. Every year they spend an evening singing at the Sunset Home. At Thanksgiving the club filled several baskets, while at Christmas they made and filled about twenty-five stockings for children at Miami Orphans' Home.

Heading the group were Virginia Buettner, president; Alice Ohlinger, vice-president; Virginia Hannaford, secretary; Margaret Brownell, treasurer; Mary Catherine Kirk, chaplain; and Mary Holton, sergeant-at-arms. Mrs. Douglas has guided the girls in their activities this year.

TIGERS FELL KENMORE FOR A WINNING START 13-6

With Captain Bill Mann, the only varsity hold-over, DeVilbiss entered its 1941 football season and the first season under head coach Ollie Klee. Kenmore brought an exceptionally large team and the game was by far the hardest test a Tiger eleven had ever been called to face on an opening day.

Mann and George Warner set up a touchdown spree in the first quarter with Bill going over and junior Dick Goins scored another in a second-period dash. Kenmore chalked up its points with a last minute razzle-dazzle play in which three men carried the ball.

Getting things straight.

SCOTT DEFEATED, 7-12

To the cheers of a student section filled to capacity a green untried Tiger eleven battled its way to a 12-7 victory over an apparently stronger Scott team. The Orange and Black triumphed, however, by taking expert advantage of the two breaks and then summoning up a stalwart resistance within their own ten yard line.

The first opportunity came when the game was only six minutes old. Fleet-footed Dick Goins, junior quarterback for DeVilbiss, intercepted a Goldstein pass and galloped thirty-five yards for a touchdown. The run was a brilliant one in that the entire Tiger squad gathered immediately for complete and perfect interference. Captain Bill Mann's plunge failed to add the point. In this same first period Scott nearly scored twice in a powerful offensive begun with the interception by Kaighin of a Mann pass on the forty-two yard line. The Scotters forced their way to the two, where they lost the ball on downs. The Tigers pushed back to the twenty and then Dave Dickey dropped back to punt. The kick was blocked and a bulldog captured the bounding oval on the eight yard line. Then the Orange forward wall dug its cleats deep into the spongy earth and held. When the fourth down was history, the pigskin rested just two feet short of the goal. A fine kick by Mann put the ball far up the field, and the Tigermen were out of danger for the time being.

Later DeVilbiss made good a scoring threat when end, Don Covrett, who had been in the Bulldog backfield half the night, broke up a punt formation. Don knocked down the ball on the thirty-three, scooped it up, and raced to the two before being shoved out of bounds. From here Dick Goins plummeted over right tackle to strike paydirt. Bill Mann's placement was wide.

Scott's lone touchdown climaxed a third period sixty-eight yard march. With Goldstein's running and Borman's fine end-around play Scott moved to the 4. The Big Orange held at this point until penalized to the 1. Goldstein dug through the bony mass at center for the score, and King Harshman placekicked the point.

DEVILBISS, 7; CENTRAL, 25

Central Catholic invaded Page Stadium to beset the Tigers in their lair. Big Harold Hasemeyer had a field day. The large lad got in the Tigers' mane with his actions of flinging and intercepting passes, plunging and running, altogether scoring three touchdowns. Central crossed the Orange goal line in each quarter. A 28-yard dash by Rags Furney and a Mann-Dickey lateral pass play provided the opportunity for DeVilbiss's lone score in the

third period with Mann plunging from the 1. Art Simpson place-kicked the point.

DEVILBISS, 2; HAMILTON, 0 (Forfeit)

DeVilbiss was outscored 0-7 by a fighting Hamilton eleven when the Big Blue made good an 80-yard march in the closing three minutes for the game's only score. Goins and Mann had previously carried the Tiger hopes to the 1-yard line in the first quarter before the Orange machine stalled.

This game was awarded to DeVilbiss following the use of an over-age player.

DEVILBISS, 14; WOODWARD, 6

Although called back, Dick Goins's 58-yard touchdown dash on the first play from scrimmage served as an omen of ultimate defeat for the Polar Bears. Even so Woodward was first to score with a successful pass play in the first quarter. Then in the second period Woodward fumbled on the 13. This time Goins chalked up 6 that held and toe-specialist Art Simpson added the point. Bill Kahl set up another touchdown later with a 35-yard dash. Kahl and Goins pushed to the 8 and Bill circled end to paydirt. Simpson was called in and the score read 14-6.

DEVILBISS, 21; WAITE, 12

With sizzling runs that left scorched holes in the Waite line and secondary, swivel-hipped Dick Goins led a quick-thinking DeVilbiss eleven to an impressive 21-12 triumph in Waite Stadium. Goins scored all three Tiger touchdowns, two of them on runs of 42 and 21 yards each, and gained about 130 yards from scrimmage. As ever, "Automatic" Simpson was invaluable in making every touchdown a 7-pointer. Don Covrett, Bill Lantz, and Dave Dickey were considerably handy on the defensive.

This brilliant Tiger victory, considered quite an upset, was Waite's first defeat in City League play since 1938 and evened scores for the loss of the previous year.

DAMP DEFEAT BY SANDUSKY, 0-7

Amid watery surroundings the Sandusky Blue Streaks and the DeVilbiss Tigers oozed hither and yon to a soggy 7-0 decision for the Streaks. Fumbles were numerous and mud made each player's identity a secret until the ball-carrier was wiped off after every scramble. Sandusky's score came in the 2nd period. The game ended just as a Tiger pass play reached the 1-yard line.

DEFEAT AT LORAIN, 0-6

An 80-yard march in the first period provided the only score as the Steelmen defeated DeVilbiss in a snow-swept Lorain Stadium. From then on Lorain concentrated on holding and was successful although the stubborn Tigers made the game a real contest. The Mann-Rodgers combination was connecting well.

DEVILBISS, 0; LIBBEY, 13

Determined to mar Libbey High's perfect season and thus reach a first-place tie with that school, the Orangemen took the field on the traditionally damp Thanksgiving Day. The Cowboys, however, proved their supremacy in Toledo football circles, as they held the raging Tigers scoreless while scoring themselves in the 2nd and 3rd periods. Dick Goins was a serious threat throughout the game with a 52-yard sprint from kickoff outstanding. Dave Dickey made a 51-yard touchdown romp only to have it called back for a team-mate's misplay. Weyant, Covrett, and Bill Warner were DeVilbiss's best defense bets. The Libbey win dropped the Tigers to a final second-place tie with Central and evened up the Westerners and South-siders over their 10-game series.

The Tiger squad was well rounded, considering that only Bill Mann rated all-city yet the team placed second. Mann and Dave Dickey received the Doc Berlin Trophy for most valuable player, thus making the 2nd time that two boys have shared the honor. Art Simpson had a perfect record of 6 for 6 points after touchdowns. Dick Goins was elected to captain the surefire '42 eleven.

Varsity Basketball

Good for two!

The outlook for the 1941-42 basketball team was not an extremely sunny one, and the resulting year was not an extremely successful one. Throughout the season the Tigers won seven and lost twelve, two of the latter being decided by one goal each. Although the Waite 45-44 tilt was a real thriller, probably students will remember most that first Libbey game. Bo Bowman had kept sinking them to keep DeVilbiss in there. Now the score was tied at 24-all, and an overtime period was expected. Less than five seconds were left. Then Buck Mahnen got the ball, back of the foul circle and far over to the left. It was an impossible shot, so he made it. That was all. The game 26-24, DeVilbiss.

Forward, Bo Bowman, voted most valuable player, was high scorer for the year, followed by Wohlstadter, Olds, and Mahnen. Prospects for next year are bright as Olds, Pfeiffer, and Bolton remain to form a fine forward-center-guard nucleus.

Lightweight Basketball

The DeVilbiss Lightweight Basketball team under Coach Don Sharpe, as well as providing a proving ground for varsity material, turned in a fairly good record of its own. Breaking even in sixteen contests, the reserves outscored their opponents 495 to 432. They were able to open with five consecutive wins and then began having trouble finding the range. Always more in form on the home floor, the quintet averaged 5 points per game higher at DeVilbiss than at other schools.

Pfeiffer, Becker, Smith, Snider, and Browning led the scoring. Charley Becker was also acting captain. Mid-season the light-weights graduated Jack Pfeiffer and Bill Bolton to the varsity and called up Chuck Koltz from the freshman team.

TRACK SEASON—1941

The track team of 1941 brought honor and glory to DeVilbiss both at home and out of town. The team started out by beating Woodward in a dual meet followed by a win over Waite. The team then traveled to Fremont and won a close meet. This win was followed by a sweet victory in the Third Annual DeVilbiss Night Relays. The boys next were the guests of Miami University in their invitational meet and finished in a tie for second with Scott, Springfield winning this meet. A dual meet win over Libbey followed and then the team won the district meet at Bowling Green.

The season produced a number of splendid individual performances by such sterling performers as Captain Dick Bohnsack, Gill Goodman, Jack Duncan, Tim Hewlett, Bill Gall, Dave Hardy, Julius Himelhoch, Dick Goins and Bill Brown.

NIGHT RELAYS

The Fourth Annual DeVilbiss Night Relays held May 2, 1942, brought together twenty-nine Class A and Class B schools of Ohio and Michigan, more than any of its predecessors. The meet also set seven new class records, two of them by Jackson's great Horace Smith.

DeVilbiss, winner of the '40 and '41 editions, ran second to a powerful Springfield squad, 47-62, in the Class A tilts. Scott, Jackson, and Sandusky placed 2nd, 3rd, and 4th, followed by Woodward, Libbey, Montpelier, Bryan, and Sylvania. In the Class B also, the defending champions failed to repeat as Clyde tied for third behind Oak Harbor and Lake Township. DeVilbiss's fine shuttle-hurdle combination of Dick Goins, Lee Sanners, Russell Chick, and Tim Hewlett streaked into first with a new meet record. The Tiger two-lap foursome, Owen Hess, Bill Brown, Julius Himelhoch, and Jack Duncan, added the team's other first. Hewlett captured third in the 120 high hurdles, while Frank Lamping soared to a 3rd-place tie in the pole vault. DeVilbiss also took third in the sprint medley, one-lap, and distance medley relays. Altogether the orange and black placed in all ten events, but was disqualified in the 4-lap relay.

Smith of Jackson whittled down the record time on the 120 high hurdles and the 100 yard dash, though he lost the finals to Simms of Scott. Smith also copped the high jump in a fine all-round performance.

A timely added attraction was the Military Relay in which service men's groups competed in an 800-yard event. The Camp Perry team of Adams, Heissenbuttel, Root, and Ellison covered the distance just .8 seconds slower than the Class B winners to take first. Selfridge Field and Toledo Naval Training were second and third. Teddy Ellison, Camp Perry anchor man and former Stanford athlete, was spectacular as he took the baton in third place and raced in first. All the boys were well-liked and America's fighting men to be in fine condition.

Parent-Teacher Association

ATHLETIC COMMITTEE

At the November meeting of the Executive Committee of the DeVilbiss Parent-Teacher Association, a committee of parents of boys on our varsity teams was authorized to organize as a group to help the school in any way possible to improve the athletic program. The parents were particularly interested in contributing assistance in providing more adequate equipment, in entertaining the teams at the conclusion of the seasons, in encouraging more parents to attend our athletic events, and in building a better program for our students participating in athletics. This committee was given permission to sponsor a party in place of the regular December meeting in order to raise funds for its work. This first party was successfully carried out under the direction of Mrs. Andrew Warner assisted by parents of the boys of the varisty football squad and by other members of the P.T.A. A profit of $118.78 was realized.

This committee entertained the football squad at dinner in the West Toledo Masonic Temple at which Dr. James Rae, the team physician, was the speaker. Following the dinner the team were guests at the Colony Theatre.

Several projects have been carried out very effectively. Under the direction of Mrs. Roy Lee, a raffle of a number of prizes was held which netted a profit of over six hundred dollars, which was turned over to the athletic association to purchase uniforms and pay the expenses of our whole program of spring sports. A raffle of two bicycles at the annual spring party of the P.T.A. netted about $150 more which will be used by the P.T.A. to help finance this work. Recently a new flag pole was erected on the football field so that we can open events in our stadium with the proper raising of our flag to the music of the Star Spangled Banner. The Spring Bridge Party was a very great success with many of the parents working hard under the chairmanship of Mr. Landon Hall. A project is being organized by the fathers of our teams to provide about six or seven hundred dollars of additional equipment for the football team which we probably would be unable to buy at all next fall except through this assistance so freely offered.

This spring, the committee was established as a standing committee of the Parent-Teacher Association, and is working actively toward building up a widespread interest of the parents for a better program of athletics and recreation for all pupils of our school. The meeting of the P.T.A. on May 18th was devoted to this purpose. All parents received a special invitation to help by attending our games and by contributing in any way. The committee officers will prepare a definite program.

This new committee of the Parent-Teacher Association has developed a far-reaching program that offers real help in meeting the need for an expanded recreational program for young people as recommended by the officials of the United States Army, Navy and other agencies responsible for winning this war. The program has had the unqualified support of Mr. William Schmuhl, President of the P.T.A., and the members of the Executive Committee and gives promise of much needed support in maintaining the interest of all parents in the program of the school.

The Five Aces

SCOTTIE FLORENCE
DON SHARPE
NORM POLLMAN
OLLIE KLEE
LYNN KALMBACH

The school year 1941-1942 saw many changes in the DeVilbiss athletic personnel. This one year saw the departure of Coaches Lars Wagner and Harry Rice and Trainer Joe Collins. Lars received the position of head basketball coach at Ohio Wesleyan, while Harry traveled to Oxford, Ohio to become freshman football coach at Miami University. Joe Collins, the only one to remain in the city, moved to Scott High School to assume control of the Scott harriers.

With a new assignment of the remaining coaches and the addition of husky Scotty Florence these losses were efficiently replenished.

Scotty Florence, he of the wide shoulders and deep chest, was acquired from Napoleon, Ohio, where he had been coaching basketball and football quite successfully for four years. His Napoleon High teams were consistent winners and were always well up in the district ratings. He received his education at Scott High and Wittenberg College and was a three-letter man at both schools. This year at DeVilbiss he coached the Tiger basketball team and led the lightweight football squad through a very successful season.

Don Sharpe's history includes football at Scott and University of Toledo, professional tennis in Detroit, and teaching physical education at Robinson Junior High. He taught physical ed. at DeVilbiss some time ago and became interested in Tiger football teams. He still is assisting with football and also coaches the lightweight basketball team.

Norm Pollman, Director of Athletics, and track coach, was an outstanding track man at Scott and Ohio State, specializing in clearing the hurdles. His talents have inspired and influenced his teams; and DeVilbiss, always a threat in the district, is noted for its hurdlers.

Ollie Klee, who made quite a record as a triple-threat football star down at Ohio State, is back in his element. He was the most-feared halfback at State in one of State's big years and exceptionally elusive in broken-field running. Now after coaching Tiger diamond greats for several years he is back on the gridiron leading DeVilbiss teams to victory.

Lynn Kalmbach played football and basketball at Waite High School and on graduation was one of twelve players who followed their coach to the University of South Carolina. While with South Carolina Lynn had the experience of playing against the team that represented Duke and Alabama in the Rose Bowl on those two years. Now in his third year at DeVilbiss he is head baseball coach in addition to handling the freshman basketball team and helping with varsity football.

DeVilbiss's fine athletics record, which is the finest in the city for a ten year period in all sports, is directly the work of these men.

Girl's Athletic Coaches

ELSIE GOTTSHALL

Miss Elsie Gottshall, former teacher at DeVilbiss, is now the head of the Physical Education department at Harriet Whitney Vocational High School. We won't forget the many contributions that she made to DeVilbiss, during the ten years that she had been here. She organized the Girls' Athletic Society—She is responsible for the present senior elective sports program—She has built the Physical Ed. Department of DeVilbiss up, until now it is one of the best in the city—It would take forever to name all of the things that she did, and still we would not be able to tell about all of the personal traits, and all of the little things that she did, that made everyone her friend.

Spirit of Progress

The need of physical fitness today has thrown a new light upon our athletic program. The Girls' Physical Education Department pledged itself to help Taddy keep physically fit through its program of team games, recreational sports and dancing. Freshman, sophomore, and juniors follow a regular program of these activities.

In the fall the freshmen enthusiastically enter into fieldball, followed in the winter by basketball and square dancing. The sophomores start their second year at DeVilbiss with games of soccer. In the winter they carry basketball and tap dancing. Our juniors begin the autumn season with the prize game of them all—hockey, and start the winter with basketball and modern dance. In the spring all classmen have as their tonic volleyball and baseball.

We have equipment for archery, badminton, pingpong, tennis and shuffleboard. These, however, accommodate only a minority and the team sport remains a major factor.

At the close of the first three years, a girl has participated in all the activities at DeVilbiss. Thus, our senior program is entirely different and is designed to give Senior Taddy a well-rounded program to carry on into her later life. She is required to take one of the regular team sports. The individual sports are carried on through the use of community facilities and we see our girls at bowling alleys, swimming pools, bridle paths, ice rinks, and golf courses.

Our instructors have designed a program which should make each and every one of us better physically, mentally, morally, and socially.

With the trend of life moving ever faster, we need diversion from our tasks. The individual sports we are taking today will probably be the ones we will later enjoy during our leisure.

All out for sports.

Taddy

ARCHERY

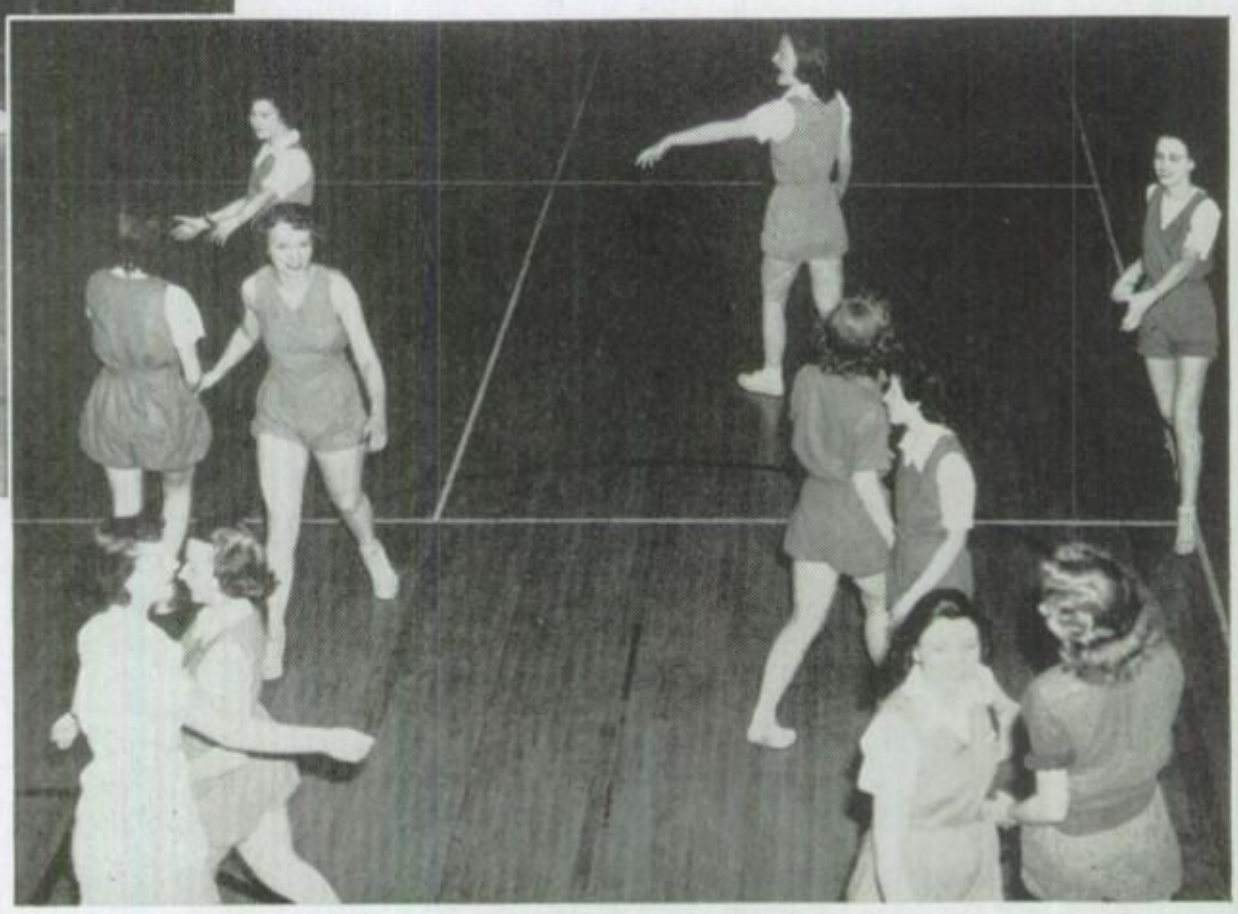
The twang of the bow—the thud of the target as an arrow burrows deep. These are familiar sounds in the fall and spring when the Bowmen are out with their trusty bows and arrows for a good "shoot." This sport is offered for girls in modified gym classes, and the equipment is available for intramural use. Archery is an excellent sport for a girl who is interested in developing a keen sense of coordination, and it also furnishes the benefits of a moderate activity.

BADMINTON

In the spring a young girls fancy turns to . . . badminton. At least this is true around DeVilbiss, for badminton is fast becoming one of the most popular sports that is offered. The girls have the opportunity to participate in this sport during regular class periods and in the afternoon intramurals. Many a bird has met a mean fate at the hands of the badminton players the Physical Education Department turns out.

SOCIAL DANCE

Social dancing provides senior girls with the opportunity to learn the old step-together-step, along with the popular South American dances.



Plays

BASKETBALL

In the winter it is basketball, with six players, two baskets, and a basketball; plus, for good measure, a referee. We play basketball for fun and proficiency. The rivalry is especially keen at the end of the season when the annual tournament between the leading teams is held in the gym. This year the seniors marched off the floor as the victors. The members of the team are: Jean Shirk, Joan Austin, Santon Fotheringham, Barbara Henry, Connie Adams, Gladys Baily, Marjorie Hoyle, and Dorothy Poplier.

BOWLING

Has the bowling bug bit you? If not, why not? You certainly have to join one of the bowling groups at DeVilbiss, the Ten Pins, or the senior bowling group. Don't feel shy about your score, this is for fun. The Highest average ever reached at DeVilbiss was held this year by Jean Emahiser.

RIDING

Just give us "Our Boots and Saddles." The Girls' Riding Club have many happy jaunts that takes them through fields and woods. After you get the feel of the saddle you begin to enjoy this fine sport.

The Girls' Athletic Society was reorganized this year in order to reach the interests of more girls. Our new program carries on the regular team sport activities as well as introducing individual sports into our curriculum.

There are bowling, golf, hiking, ice skating, swimming, riding, archery, tennis, and badminton. A girl may participate in as many sports as she desires. For each sport there is a club which must be joined in order to take part in the activity. The officers of these clubs constitute the Girls' Athletic Society Council which governs all activities; such as, Pops' Night, Moms' Night, Skating Parties, Co-Ed Ball and the annual banquet for the graduating seniors.
